BHARATHAMATHA

COLLEGE OF ARTS & SCIENCE

Affiliated to the University of Calicut

INSPIRE to IGNITE

Welcome to Bharathamatha

Bharathamatha College (BMC) of Arts and Science, Kozhijampara, Palakkad, is premier educational institution offering excellence in education and research. BMC is affiliated to the University of Calicut. BMC is a NAAC accredited institution.

Managed by Carmelites of Mary Immaculate (CMI) priests of the Preshitha province, BMC bears the traditional CMI educational legacy of academic excellence and social commitment. We follow the footsteps of our founder and educational visionary St. Kuriakose Elias Chavara who has left an indelible imprint on integral education of a person.

About the College

Bharathamatha College of Arts and Science was established by CMI fathers of Preshitha Province in the year 2015 at Kozhijampara, just 20 kilometers away from the city of Palakkad. The Bharathamatha College of Arts and Science, with our motto "INSPIRE TO IGNITE" is profoundly determined to actualize our vision. We strive earnestly to attain the high apex of perfection through an ardent academic pursuit for academic excellence. Our innovative academic excellence is blended with the 'service of the humanity' aiming at societal transformation. Our education prepares each student to respond competently to the modern challenges and needs.

The salubrious and silent surroundings of the college provide a conducive atmosphere for the teaching- learning process. The diligence and dedication of the management, the commitment of the faculty and commitment of the student community has established it to carve a niche for itself within a short while.

Our Inspiration

The untiring efforts of the CMI congregation in the field of education effect revolutionary changes in the society. St Kuriakose Elias Chavara, the founder of the CMI congregation, established the first catholic school of Kerala at Mannanam in 1846. In the year 1846, St. Chavara, in his capacity as the vicar General of the Syro – Malabar Church, ordered all the parishes to start schools adjacent to them. This historic order triggered the emergence of a galaxy of educational institutions all over the state. The Saint remains our inspiration forever.

The main aim of the entire educational endeavor of the Congregation is to bring about a social transformation with an emphasis on option for the poor, coupled with the moral reconstruction in the society. Today, the CMIs run over 500 educational institutions. As a CMI Educational Institution we focus on the integral formation of the person for the fulfillment of his/her individual and social responsibilities.

Our Vision

To evolve into a leading research-oriented educational institution, moulding distinguished professionals with creative minds, innovative ideas and sound practical skill, and to shape a future where integral education as a panacea for the human empowerment. The college aims at forming leaders who are intellectually competent, spiritually mature, morally upright, psychologically integrated, physically healthy and socially acceptable.

Our Mission

To impart state-of-the-art knowledge to individuals and to inculcate in them a high degree of social consciousness and human values, thereby enabling them to face the challenges of life with courage and conviction. To provide higher education to deserving students irrespective of caste, creed and culture to participate in nation building.
